## Decorative Bath Windows

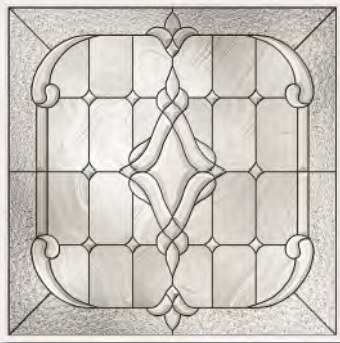

The perfect accent windows for your home.

- Glue-chip exterior glass ensures privacy while still bathing the room in available light.
- Attractive glass patterns available with both zinc and patina coming.
- ENVIROGUARD frames are standard on all units and provide durable, low maintenance support. ENVIROGUARD PVC frames will not rot, peel, or splinter. Energy efficient design helps keep heating & cooling costs in check.
- Innovative wrought iron patterns provide a touch of old world elegance while still maintaining the same privacy and efficiency of decorative glass patterns.
- Tempered glass is standard on all units.
- 4'0 x 4'0 Preframed units are easy to install.
- Available in 4-9/16" with WM180 brickmould.
